James and Jason breathed hard. They were covered in sweat. James' hair was completely ruffled. Jason sat in James' lap, James' cock still inside him.

"Jason, you're exhausting," James panted.

Jason giggled.

"You should have known this before you asked me to move into your house. Haven't you seen me on stage?"

"Yes, but I never thought you always would be such an animal," James groaned.

"It's your own fault because you're abusing me for doing puzzles with you." Jason grinned. "You'll polish the amps with a toothbrush after the next puzzle, and then I'll handcuff you to the bed."
